

SOLMS DELTA

SYRAH 2015

TERROIR COLLECTION

The Harvest

The Syrah is hand harvested from a 24 year old dryland vineyard grown in shale soils on Papkuilsfontein farm in the foothills of the Swartland.

The vines reflect the rugged terroir of the region and the low yield produces intense, concentrated bunches.

Cellar Notes & Blending Information

Grape Varietals: 100% Shiraz

Style of Wine: Terroir focused, wooded red.

Vinification: 20% whole bunch, spontaneous fermentation.

Maturation: Matured for 12 months in 3rd fill 500l French oak barrels.

Maturation Potential

The Syrah should reach its peak between 3-5 years maturation.

Tasting Note

Dark and brooding, the Syrah shows Blueberries and liquorice that opens up to wild herbs and peppery spice. The palate is concentrated and plush with red fruit that is underpinned with fine tannin.
